PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 25, 2022

This proxy statement is furnished to the shareholders of Rocky Brands, Inc. (throughout the proxy statement the terms “Company,” “we” and “our” refer to Rocky Brands, Inc.) in connection with the solicitation of proxies to be used in voting at the Annual Meeting of Shareholders to be held on May 25, 2022, and at any adjournment thereof. The enclosed proxy is solicited by the Board of Directors of the Company. We began mailing this proxy statement to the Company’s shareholders on approximately April 20, 2022.

The Company will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of stock. Representatives of the Company may solicit proxies by mail, telephone or personal interview.

All shares represented by a properly submitted proxy will be voted as directed if the proxy is received by the Company before the meeting or, in the absence of specific instructions to the contrary, will be voted in accordance with the unanimous recommendations of the Board of Directors, which are:

- **FOR** the election of Michael L. Finn, G. Courtney Haning, William L. Jordan, Curtis A. Loveland, and Robert B. Moore, Jr. for two-year terms as Class II Directors of the Company;
- **FOR** the approval, on an advisory non-binding basis, of the compensation of the Company’s named executive officers;
- **FOR** the ratification of Schneider Downs & Co., Inc. as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2022; and
- At the discretion of the persons acting under the proxy, to transact such other business as may properly come before the meeting or any adjournment thereof.

Any shareholder giving a proxy has the power to revoke it at any time before it is exercised by filing a written notice with the Secretary of the Company prior to the meeting. Shareholders of record who attend the meeting may vote in person, and their proxies will not be used.

Holders of record of common stock of the Company at the close of business on April 4, 2022, the record date for the annual meeting, will be entitled to vote at the annual meeting. At that time, the Company had 7,313,075 shares of common stock outstanding and entitled to vote. Each share of common stock outstanding on the record date entitles the holder to one vote on each matter submitted at the annual meeting.

[Table of Contents](#)

The presence, in person or by proxy, of a majority of the outstanding shares of common stock of the Company is necessary to constitute a quorum for the transaction of business at the annual meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum. Broker non-votes occur when brokers, who hold their customers' shares in street name, sign and submit proxies for such shares and vote such shares on some matters, but not others. Typically, this would occur when brokers have not received any instructions from their customers, in which case the brokers, as the holders of record, are permitted to vote on "routine" matters.

The election of each director nominee requires the favorable vote of a plurality of all votes cast by the holders of common stock at a meeting at which a quorum is present. Proxies that are marked "Withhold Authority" and broker non-votes will not be counted toward such nominee's achievement of a plurality and thus will have no effect.

Approval of the proposals relating to the compensation of our named executive officers requires the affirmative vote of the holders of a majority of the shares of our common stock present in person or by proxy at the annual meeting and entitled to vote on such proposal. Abstentions will be counted as represented and entitled to vote and will therefore have the effect of a vote against the proposal. Broker non-votes are disregarded and will have no effect.

The ratification of Schneider Downs & Co., Inc. as the Company's independent registered public accounting firm requires the affirmative vote of the holders of a majority of the shares of our common stock present in person or by proxy at the annual meeting and entitled to vote on the proposal. Abstentions will be counted as represented and entitled to vote and will therefore have the effect of a vote against the proposal. There will not be any broker non-votes with respect to this proposal, as it is considered to be a "routine" matter as described above.

PROPOSAL 1 – ELECTION OF DIRECTORS

The Company’s Code of Regulations provides for a classified board of directors with two classes. The total number of authorized directors has been fixed by the Board of Directors at eleven. Each class of directors consists, as nearly as practical, of one-half of the total number of directors. The Board of Directors proposes the re-election of the five incumbent Class II Directors to continue their service as Class II Directors at the 2022 Annual Meeting of Shareholders. The six incumbent Class I Directors will continue in office until the 2023 Annual Meeting of Shareholders.

Michael L. Finn, G. Courtney Haning, William L. Jordan, Curtis A. Loveland, and Robert B. Moore, Jr. are currently Class II Directors of the Company and are being nominated by the Board of Directors for re-election for two-year terms as Class II Directors.

It is intended that, unless otherwise directed, the shares represented by the enclosed proxy will be voted FOR the election of Michael L. Finn, G. Courtney Haning, William L. Jordan, Curtis A. Loveland, and Robert B. Moore, Jr. for two-year terms as Class II Directors. Proxies cannot be voted for a greater number of persons than the number of nominees named. In the event that any of the nominees for director should become unavailable, the number of directors of the Company may be decreased pursuant to the Company’s Code of Regulations, or the Board of Directors may designate a substitute nominee, in which event the shares represented by the enclosed proxy will be voted for such substitute nominee.

It is the policy of the Board of Directors that any nominee who receives a greater number of votes marked “Withhold” than “For” in an election that is not contested is expected to tender his or her resignation as a director to the Board of Directors promptly following certification of the election results. The Nominating and Corporate Governance Committee will make a recommendation to the Board of Directors as to whether to accept or reject the tendered resignation. The Board of Directors will then act on the tendered resignation, taking into account the Nominating and Corporate Governance Committee’s recommendation and factors the Board of Directors deems relevant, and will disclose its decision regarding the resignation within 90 days after certification of the election results. If the resignation is not accepted, such director will continue to serve until the next annual meeting of shareholders at which such director faces re-election and until such director’s successor is duly elected and qualified.

The Board of Directors recommends that the shareholders vote FOR the election of each of the nominees for Director.

PROPOSAL 2 – ADVISORY VOTE ON THE COMPENSATION PAID TO NAMED EXECUTIVE OFFICERS

Section 14A of the Securities Exchange Act of 1934, as amended, requires the Company to include in its proxy statement at least once every three years an advisory vote regarding named executive officer compensation. In a non-binding advisory vote on the frequency of future say-on-pay votes held at the 2017 Annual Meeting of Shareholders, the Company’s shareholders approved conducting a say-on-pay vote every year by a majority of the votes cast. The Company has considered the outcome of this advisory vote and has determined that the Company will hold say-on-pay votes on an annual basis until the occurrence of the next advisory vote on the frequency of say-on-pay votes. The Company asks that you indicate your approval of the compensation paid to our named executive officers as described in this proxy statement under the heading “Executive Compensation,” which includes compensation tables and narratives included elsewhere in this proxy statement.

Because your vote is advisory, it will not be binding on the Board of Directors. However, the Board of Directors and the Compensation Committee will review the voting results and take them into consideration when making future decisions regarding executive compensation. The Compensation Committee has structured its executive compensation programs primarily to motivate executives to achieve the business goals established by the Company and reward executives for meeting business goals and delivering superior performance as measured against those business goals.

For the reasons discussed above and in this proxy statement under the heading “Executive Compensation,” the Board of Directors recommends that shareholders vote to approve the following resolution:

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby APPROVED.”

The Board of Directors recommends that shareholders vote FOR the approval of the resolution relating to the compensation of named executive officers.

INFORMATION CONCERNING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

The Board of Directors of the Company held a total of eight meetings during 2021. During 2021, each of the directors attended 75% or more of the total number of (i) meetings of the Board and (ii) meetings of committees of the Board on which such director served during the period that each served.

Upon consideration of the criteria and requirements regarding director independence set forth in the Marketplace Rules of the NASDAQ Stock Market, the Board of Directors has determined that a majority of its members are independent. Specifically, the Board has determined that each of Messrs. Corlett, Finn, Haning, Jordan, Loveland, Moore and Stewart, and Ms. Hahn and Winbigler meets the standards of independence established by Marketplace Rule 5605(a)(2).

The Board of Directors has determined that each Ms. Winbigler and Mr. Corlett meets the requirements of an “audit committee financial expert” as set forth in Section 407(d)(5) of Regulation S-K promulgated by the Securities and Exchange Commission (“SEC”).

The Audit Committee met eight times during 2021. The Audit Committee oversees and monitors management’s and the independent registered public accounting firm’s participation in the accounting and financial reporting processes and the audits of the financial statements of the Company. The Audit Committee has the responsibility to appoint, compensate, retain and oversee the work of the independent registered public accounting firm and to consult with the independent registered public accounting firm on matters relating to the scope of the audit, any non-audit assignments and related fees, the accounting principles used by the Company in financial reporting, internal financial auditing procedures and the adequacy of the Company’s internal control procedures. The Audit Committee is governed by a Fourth Amended and Restated Audit Committee Charter, which is posted on the Company’s website at www.rockybrands.com. This Committee administers the Amended and Restated 2014 Omnibus Incentive Plan and the 2021 Incentive Compensation Plan, and approves compensation for the Company’s executive officers. The Compensation Committee report relating to the 2021 fiscal year appears on page 27. For more information on the Compensation Committee, please refer to “Executive Compensation – Compensation Discussion and Analysis – The Compensation Committee,” beginning on page 14.

The members of the Nominating and Corporate Governance Committee are Messrs. Moore (Chairman), Finn, Haning and Ms. Hahn. The Board of Directors has determined that each of Messrs. Moore, Finn, Haning, and Ms. Hahn is independent as independence is defined in Marketplace Rule 5605(a)(2). The Nominating and Corporate Governance Committee oversees the director nomination process and reviews related party transactions. The Nominating and Corporate Governance Committee has the responsibility to identify and recommend individuals qualified to become directors.

When considering potential candidates, the Nominating and Corporate Governance Committee reviews the candidate’s character, judgment and skills, including financial literacy and experience in the context of the needs of the Board of Directors. Neither the Nominating and Corporate Governance Committee nor the Board of Directors has a formal policy with regard to the consideration of diversity in identifying director nominees; however, how a specific nominee contributes to the diversity of the Board of Directors is considered by both the Nominating and Corporate Governance Committee and the Board of Directors in determining candidates for the Board. The Committee and the Board consider diversity by identifying a nominee’s experience and background and determining how such experience and background will complement the overall makeup of the Board. The Committee and the Board prefer nominees who will contribute to a board that is diverse in terms of business training, experience across a range of industries, leadership, background and education. The Company generally does not pay any third parties to identify or evaluate, or assist in identifying or evaluating, potential nominees.

The Nominating and Corporate Governance Committee considers the recommendations of shareholders regarding potential director candidates. In order for shareholder recommendations regarding possible director candidates to be considered by the Nominating and Corporate Governance Committee:

- Such recommendations must be provided to the Nominating and Corporate Governance Committee c/o Rocky Brands, Inc., 39 East Canal Street, Nelsonville, Ohio 45764, in writing at least 120 days prior to the date of the next scheduled annual meeting;
- The nominating shareholder must meet the eligibility requirements to submit a valid shareholder proposal under Rule 14a-8 of the Securities Exchange Act of 1934, as amended; and
- The nominating shareholder must describe the qualifications, attributes, skills, or other qualities of the recommended director candidate.

The Nominating and Corporate Governance Committee also has the responsibility to develop and recommend to the Board of Directors a set of corporate governance principles applicable to the Company and to administer and oversee the Company's Code of Business Conduct and Ethics.

Mr. J. Brooks, the Company's President and Chief Executive Officer ("CEO"), currently serves as the Company's Chairman of the Board. The Board believes that it is in the best interests of the Company and its shareholders for the Board to determine which director is best qualified to serve as Chairman, including whether the position of Chairman and the office of CEO should be held by the same person and whether the Chairman should be independent. Under the Company's Corporate Governance Guidelines, if the Chairman is not an independent director or is also the CEO of the Company, a majority of the independent directors of the Board will consider whether it is appropriate to appoint a Lead Independent Director. In May 2021, Mr. Haning was appointed Lead Independent Director. Under the Company's Corporate Governance Guidelines, the Lead Independent Director shall:

- Preside at all meetings of the Independent Directors and any Board meeting when the Chairman is not present, including executive sessions of the Independent Directors;
- Provide feedback from the executive sessions of the Independent Directors to the Chairman and the CEO;
- Call meetings of the Independent Directors at such time and place as the Lead Independent Director determines necessary and appropriate and set the agenda for such meetings;
- Following consultation with the Chairman and the CEO, approve the Board's meeting agendas, schedules and information flow to the directors to assure they provide sufficient focus, time and background for discussion of all agenda items;
- Serve as primary liaison between the Independent Directors and the Chairman and the CEO;
- Be available for consultation and direct communication with major shareholders where appropriate, upon request; and
- Perform such other functions as the Board may request.

Each incumbent director's knowledge of the Company and industry as a result of the director's years of service on the Board, and the fact that each of the directors other than Mr. M. Brooks and Mr. J. Brooks is independent, allows the independent directors to provide appropriate independent oversight of management and to hold management accountable for the execution of strategy. The Board has determined that its leadership structure, including each of the committees of the Board, is appropriate because it allows for beneficial communication between the outside directors and the management of the Company and effective management of the oversight tasks required of the Board.

Our CEO is responsible for providing day-to-day leadership and establishing the Company's course of action for achieving performance goals, while the independent directors provide strategic guidance. The Board of Directors believes that this structure helps facilitate the role of the independent directors in the oversight of the Company and the active participation of the independent directors in setting agendas and establishing priorities and procedures that work for the Board of Directors. The Chairman acts as a key liaison between the Board of Directors and the other members of management.

Our CEO and senior management are responsible for the day-to-day management of the risks we face. Our Board of Directors, as a whole and through its committees, has responsibility for the oversight of risk management, including general oversight of (i) the financial exposure of the Company, (ii) risk exposure as related to the overall Company portfolio and impact on earnings, (iii) oversight of information technology security and cybersecurity risk, and (iv) all systems, processes, and organizational structures and people responsible for finance and risk functions. Certain risks are overseen by committees of the Board of Directors and these committees make reports to the full Board of Directors, including reports on noteworthy risk management issues. Financial risks are overseen by the Audit Committee which meets with management to review the Company's major financial risk exposure and the steps management has taken to monitor and control such exposures. Compensation risks are overseen by the Compensation Committee.

We have adopted a Code of Business Conduct and Ethics that applies to our directors, officers and all employees. The Code of Business Conduct and Ethics is posted on our website at www.rockybrands.com. The Code of Business Conduct and Ethics may be obtained free of charge by writing to Rocky Brands, Inc., Attn: Chief Financial Officer, 39 East Canal Street, Nelsonville, Ohio 45764.

Members of the Company's senior management report to the full Board of Directors about their areas of responsibility, including reports regarding risk within such areas of responsibility and the steps management has taken to monitor and control such exposures. Additional review or reporting of risks is conducted as needed or as requested by the Board of Directors or its committees.

We believe that our board leadership structure promotes effective oversight of the Company's risk management by providing unified leadership through a single person, while allowing for contributions from our independent Board members, all of whom are fully engaged in Board deliberations and decisions.

The Company's Board of Directors welcomes communications from shareholders. Shareholders may send communications to the Board of Directors, or to any director in particular, c/o Rocky Brands, Inc., 39 East Canal Street, Nelsonville, Ohio 45764. Any correspondence addressed to the Board of Directors, or to any one of the Company's directors in care of our offices is forwarded to the addressee without review by management.

It is the Company's expectation that all members of the Board of Directors attend the Annual Meeting of Shareholders. All of the members of the Company's Board of Directors then serving were present at the Company's 2021 Annual Meeting of Shareholders.

EXECUTIVE COMPENSATION

The following information provides discussion, analysis and data tables regarding the compensation of our named executive officers (“NEOs”), who are those officers listed in our Summary Compensation Table on page 20.

Compensation Discussion and Analysis

We have prepared this Compensation Discussion and Analysis (“CD&A”) to provide you with our perspective on executive compensation so that you may understand our compensation policies and our decisions regarding compensation for our NEOs. We recommend that you review the various executive compensation tables below in conjunction with this CD&A. Unless otherwise noted, the policies, plans and other information in this CD&A apply to all of our NEOs. Our CD&A covers the following topics:

- The role of the Compensation Committee in setting executive compensation;
- Our compensation philosophy and its underlying principles – including the objectives of our executive compensation program and what it is designed to reward;
- Our process for setting executive compensation; and
- The elements of our executive compensation program – including a discussion of why we choose to pay each element of compensation, how we determine the amount of such element, and how each element fits into our overall compensation objectives and “total compensation” for our NEOs.

The Compensation Committee

The Compensation Committee (referred to in this CD&A as the “Committee”) was appointed by our Board of Directors and is governed by a written charter that is available in the governance section of our website, www.rockybrands.com. The Committee members are William L. Jordan (Chairman), Michael L. Finn, Robert B. Moore, Jr., Robyn R. Hahn and James L. Stewart. Our Board of Directors has determined that each of the Committee members is independent under the standards of independence established by Marketplace Rule 5605(a)(2). In addition, each of the Committee members is a “non-employee” director as defined by Rule 16b-3 under the Securities Exchange Act of 1934.

Pursuant to its charter, the Committee has the authority and responsibility to:

- Review and approve on an annual basis the corporate goals and objectives with respect to compensation for the chief executive officer and evaluate at least once a year the chief executive officer’s performance in light of these established goals and objectives and based upon these evaluations has sole authority to set the chief executive officer’s annual compensation, including salary, bonus, incentive and equity compensation;
- In determining the incentive component of the chief executive officer’s compensation, consider the Company’s performance and relative stockholder return, the value of similar incentive awards given to chief executive officers at comparable companies, the awards given to the Company’s chief executive officer in past years and the results of the most recent stockholder advisory vote on executive compensation (“Say on Pay Vote”) required by Section 14A of the Exchange Act;
- Review and approve on an annual basis the evaluation process and compensation structure for all of the Company’s non-CEO executive officers and evaluate the performance of such executive officers and approve the annual compensation, including salary, bonus, incentive and equity compensation, for such executive officers, considering the results of the most recent Say on Pay Vote;
- Review and approve on an annual basis the compensation structure for any other employee of the Company who is a family member of an executive officer or director of the Company and evaluate the performance of such family member employees and approve the annual compensation, including salary, bonus, incentive and equity compensation, for such family member employees;
- Review and make recommendations to the Board regarding any employment agreements and any severance arrangements or plans, including any benefits to be provided in connection with a change in control, for the chief executive officer and other executive officers;
- Review and recommend to the Board the compensation for Board members;

[Table of Contents](#)

- Meet to review and discuss with management the CD&A required by the rules and regulations of the SEC and recommend to the Board whether the CD&A should be included in the Company's proxy statement or other applicable SEC filings;
- Produce an annual report on executive compensation for inclusion in the proxy statement or annual report on Form 10-K as the Compensation Committee Report, which will state whether the Committee reviewed and discussed with management the CD&A, and whether, based on such review and discussion, the Committee recommended to the Board that the CD&A be included in the Company's proxy statement or other applicable SEC filing;
- Review the Company's compensation programs and plans, including, but not limited to, the Company's incentive compensation, equity-based, retirement, and other benefit plans and recommend changes in such plans to the Board of Directors and exercise all the authority of the Board of Directors with respect to the administration of such plans, including designation of the employees to whom the awards are to be granted, the amount of the award or equity to be granted, and the terms and conditions applicable to each award or grant, subject to the provisions of each plan;
- In reviewing and making recommendations regarding incentive compensation plans and equity-based plans, including whether to adopt, amend or terminate any such plans, consider the results of the most recent Say on Pay Vote; and
- Review the charter periodically for adequacy and recommend to the Board of Directors any necessary changes.

The Committee has the sole authority, to the extent it deems necessary or appropriate, to retain any compensation consultant to assist in the evaluation of executive compensation and has the sole authority to approve any such firm's fees. The Committee also has the authority to obtain the advice of and assistance from internal or external legal, accounting or other advisors, and may request any officer or employee of our Company, our outside counsel or independent registered public accounting firm to attend a meeting of the Committee or meet with any member of, or consultants to, the Committee. The Committee will evaluate whether any compensation consultant retained or to be retained by it has any conflict of interest in accordance with Item 407(e)(3)(iv) of Regulation S-K. Any compensation consultant retained by the Committee to assist with its responsibilities relating to executive compensation will not be retained by the Company for any compensation or other human resource matters.

The Committee meets as often as its members deem necessary to discharge its duties and responsibilities and held nine meetings during fiscal 2021. The Chairman of the Committee works in conjunction with our Chairman, President and Chief Executive Officer and our Chief Financial Officer to establish the meeting agenda. The Committee typically meets with the Chairman, President and Chief Executive Officer, and the Chief Financial Officer and outside legal advisors and, where appropriate, other executive officers of our Company. In addition, the Committee regularly meets in executive session without management. Generally, the Committee receives and reviews materials in advance of each meeting. These materials include information that management believes will be helpful to the Committee as well as materials that the Committee has specifically requested.

Compensation Philosophy

The philosophy of the Committee is to make compensation decisions based on an executive compensation program that is designed to meet the following objectives:

- To attract and retain qualified executives;
- To reward current and past individual performance;
- To provide short-term and long-term incentives for superior future performance;
- To align compensation policies to further shareholder value; and
- To relate total compensation to individual performance and performance of our Company.

The Committee believes that an executive compensation program designed with these objectives in mind has a direct impact on the success of the business by helping to ensure we have qualified executive talent in the right positions at the right time. Our executive compensation program helps ensure that our leadership group is focused on performing effectively to deliver results and build long-term shareholder value.

The Committee periodically reviews the compensation programs and policies that apply to all of our employees and has determined that such programs and policies are not reasonably likely to have a material adverse effect on us. Additionally, in establishing and reviewing the executive compensation programs, the Committee considers whether the programs encourage unnecessary or excessive risk taking and has determined that they do not. On the Committee's recommendation, the Board of Directors adopted a clawback/recoupment policy during 2015, which provides for the recoupment of certain incentive compensation in the event of an accounting restatement resulting from material noncompliance with financial reporting requirements under the securities laws. The clawback/recoupment policy also provides for the potential recoupment of certain incentive compensation in the event of misconduct by our executive officers and other specified employees.

The Committee also considered the result of the 2021 advisory, non-binding "say-on-pay" vote in connection with the discharge of its responsibilities. Because approximately 97% of the votes cast approved the compensation for our NEOs described in our 2021 proxy statement, the Committee determined that no changes to our compensation programs were warranted as a result of the shareholder advisory vote.

Compensation Committee Process for Determining Executive Compensation

A substantial amount of the Committee's annual cycle of work relates to the determination of compensation for our executive officers, including our Chief Executive Officer. Generally, during or prior to the first quarter of our fiscal year, the Committee makes determinations of base cash compensation, incentive compensation percentages for the year and equity grants for executive officers, including our Chief Executive Officer. For a discussion of each individual element of compensation and how it is specifically determined, refer to "Compensation Program Elements" below.

Although many compensation decisions are made near the beginning of the first quarter of the fiscal year, our compensation planning process is not a rigid yearly process with fixed beginning and end points. Rather, compensation decisions are designed to promote our compensation philosophy and principles throughout the year. The Committee believes that evaluation of executive performance, business and succession planning, and consideration of our business environment are year-round processes, and the Committee members monitor these as such.

Our Chief Executive Officer is not permitted to be present during deliberations or voting on his compensation. During this process, the Committee reviews and approves any new corporate goals and objectives with respect to compensation for our Chief Executive Officer. In light of the established goals and objectives, the Committee evaluates the performance of the Chief Executive Officer and, based upon these evaluations, sets the Chief Executive Officer's compensation. The Compensation Committee also reviews and approves on an annual basis the evaluation and compensation structure for the Company's other executive officers, including approval of salary, bonus, incentive and equity compensation. Our Chief Executive Officer is present and provides input at the meetings and deliberations on the compensation of the Company's other executive officers but is not permitted to be present at the vote.

Compensation Program Elements

In fiscal 2021, our NEOs received the following elements of compensation:

- Salary;
- Non-equity incentive compensation;
- Equity compensation;
- Retirement benefits; and
- Health and welfare benefits.

The Committee carefully considered and chose each compensation program element as a critical component in a comprehensive total compensation package. Each element is intended to reward and motivate executives in different ways consistent with our overall compensation principles and philosophy. Each of the elements has a critical relationship with one another with each focusing on and rewarding different areas. These elements are necessary for us to achieve our compensation program objectives.

(1) Salary:

Salary is utilized to compensate our executive officers for services rendered during the fiscal year. The Committee annually reviews and approves the compensation package of each NEO, including salary. The Committee considers an individual's qualifications and experience in setting an executive's salary. In determining salary increases, the Committee considers the size and responsibility of the individual's position and the individual's overall performance and future potential. The Committee considers these factors subjectively in the aggregate. Because the Committee believes that each of the factors is significant, the Committee does not assign a formula weight to any single factor in determining a salary increase.

Please refer to the “Salary” column in the Summary Compensation Table on page 20 for more information on each NEO’s salary for fiscal 2021.

(2) Non-Equity Incentive Compensation:

Non-equity incentive compensation (“IC”) for our NEOs is determined under our Incentive Compensation Plan (the “IC Plan”). Our IC Plan is designed to provide a competitive cash compensation program for recruiting and retaining executive talent and a short-term incentive and reward program that aligns pay with performance and motivates our executives to achieve results. Shareholders approved the terms of our IC Plan at the 2017 Annual Meeting of Shareholders.

When setting IC, the Committee considers individual and corporate performance, levels of responsibility, prior experience, breadth of knowledge and competitive pay practices. The Committee considers these factors subjectively in the aggregate. IC is based on base salary and a corresponding percentage of all IC payouts if Company performance goals are met. Payment of IC is prorated based on the performance level achieved. The Committee establishes the financial performance goals under the IC Plan for the fiscal year. These goals are generally determined near the beginning of the year and are based on an analysis of historical performance and growth expectations for our business, expectations of the public markets and progress toward achieving our long-range strategic plan for the business.

Messrs. J. Brooks, Robertson, Simms, Dixon and Wortham were eligible to receive IC under the IC Plan in fiscal 2021. The cash incentive was based on a percentage of base salary if performance goals were met for the year.

The Committee determined that the performance criteria for IC in fiscal 2021 would be based upon the Company’s adjusted operating income for all participants. Adjusted operating income was determined based on the Company’s actual operating income, less any expenses attributable to the IC Plan (including any expenses relating to the grants of long term equity incentives thereunder), the Company’s manager bonus plan and the Company’s hourly bonus plan, and exclusive of any gains or losses resulting from one-time, extraordinary events, such as charges for goodwill impairment, charges relating to mergers or acquisitions, gains or losses on the sale of assets other than in the ordinary course of business and charges resulting from changes in accounting policies, all as may be determined in good faith by the Committee in its discretion. For fiscal 2021, the threshold was set at 85% of the target and the maximum was set at 120% of the target.

The Committee approved the following threshold, target and maximum payouts based on specified levels of adjusted operating income:

Name	Payout as a Percentage of Base Salary		
	Threshold	Target	Maximum
Jason Brooks	8%	40%	80%
Thomas D. Robertson	8%	40%	80%
Richard Simms	8%	40%	80%
David P. Dixon	8%	40%	80%
Byron Wortham	8%	40%	80%

No IC payments were to be made if we did not meet our threshold performance target. No IC payments were to be made if the executive was terminated for cause by the Company prior to the date of payment. When the performance results fall somewhere between the threshold and target amounts or between the target and maximum amounts, the payout is prorated accordingly. The Committee believes that the fiscal 2021 goals represented an appropriate and substantial degree of difficulty for achieving a payout.

At year end, the Committee reviewed the Company’s operating income and determined the extent to which objectives were met. Subject to the foregoing, the actual 2021 IC payouts were based on adjusted operating income that was 38.8% between the threshold and target levels, resulting in bonus payment amounts that were 51% of targeted bonus amounts.

(3) Equity Compensation:

The Committee believes that equity-based compensation opportunities encourage a high level of long-term performance that enhances shareholder value, thereby further linking leadership and shareholder objectives. Equity compensation is intended to motivate our NEOs to contribute to our future growth and profitability and to reward performance in a manner that:

- Provides them with a means to increase their holdings of the common stock of the Company; and
- Aligns their interests with the interests of the shareholders of the Company.

Equity compensation is granted to our NEOs under our Amended and Restated 2014 Omnibus Incentive Plan. The Committee determines the award opportunity level for each NEO based on the individual's responsibility level and potential with our Company, competitive practices, the number of shares available for grant, business needs, individual and Company performance, and the market price of our common stock.

In 2021, we awarded stock options to NEOs in the amounts set forth in the Summary Compensation Table found below beginning on page 20.

(4) All Other Compensation:

The "All Other Compensation" column in our Summary Compensation Table on page 20 primarily consists of these items:

- Annual employer contributions into the retirement/401(k) plan;
- Employer-paid premiums for life insurance; and
- A deferred compensation plan for our NEOs.

(a) *Retirement and 401(k) Plan:*

We sponsor a qualified retirement and 401(k) plan for eligible employees (the "Retirement Plan"). The Retirement Plan allows NEOs to defer a portion of their total cash compensation (up to IRS limits) into this retirement account on a pre-tax basis. We make an annual contribution into the Retirement Plan for eligible employees, including NEOs, of three percent of applicable salary. We also provide a company match for eligible employees, including NEOs, on any money they defer into the Retirement Plan up to the maximum allowable in accordance with the Retirement Plan.

These annual employer contribution amounts to NEOs are included in the Summary Compensation Table's "All Other Compensation" column on page 20 below.

(b) *Employer-Paid Premiums for Life Insurance:*

We provide each of Messrs. J. Brooks, Robertson, Simms, Dixon and Wortham with basic group term life insurance with a death benefit of \$150,000. This is a relatively inexpensive benefit that we offer to our executives. This element of compensation, though relatively small, provides one additional item to the overall compensation package which strengthens our ability to recruit and retain talented executives. For specific premium amounts paid, please refer to the Summary Compensation Table's "All Other Compensation" column and footnotes below on page 20.

(c) *Executive Deferred Compensation Plan:*

On December 14, 2018, the Board adopted the Rocky Brands, Inc. Executive Deferred Compensation Plan (the "Deferred Compensation Plan"), which became effective January 1, 2019. The Deferred Compensation Plan is an unfunded nonqualified deferred compensation plan in which the NEOs are eligible to participate.

Under the Deferred Compensation Plan, participants may elect to defer up to 75% of their base compensation and up to 100% of their bonuses, commissions and other compensation. The deferred amounts are paid in accordance with each participant's elections made on or before December 31 of the prior year. In addition to elective deferrals, the Deferred Compensation Plan permits the Company to make discretionary contributions to eligible participants, provided that any participant who is employed on the last day of a plan year will receive a Company contribution equal to no less than 3% of the participant's base compensation, bonus earned and non-equity incentive plan compensation in the plan year. Company contributions will vest in accordance with the vesting schedule determined by the Committee, except in the event of the participant's death, disability or retirement, in which case the contributions will vest 100% upon such event. Participants may elect to receive payment in a lump sum cash payment or, in the event of the participant's retirement, in annual installments for a period of up to ten years. In the event of a participant's termination of employment, deferred amounts will generally be paid within 60 days following the later of the date (i) of such termination or (ii) the participant attains age 60, except where such termination is due to such participant's death, in which case deferred amounts will be paid to such participant's beneficiary within 30 days of confirmation of the participant's death.

(d) *Employment Agreements:*

We have entered into employment agreements with each of Messrs. J. Brooks, Robertson, Simms, Dixon and Wortham. For a discussion of these agreements, please refer to "Agreements with NEOs and Potential Payments upon Termination or Change in Control" beginning on page 22 below.

(5) Health and Welfare Benefits:

In addition to the compensation and benefits programs discussed in this proxy statement, we offer our employees, including our NEOs, a comprehensive benefits program. This program is designed to provide the employees and their families with competitive coverage at competitive rates. We strive to provide the employees with appropriate health benefits (medical, pharmacy, dental, and vision) to help protect the physical, mental, and financial health of our employees and their immediate families.

Insider Trading, Hedging and Pledging Policies

Our Code of Business Conduct and Ethics prohibits our directors, officers and employees from purchasing or selling Company securities while in possession of material, non-public information, except through use of stock trading plans adopted pursuant to Rule 10b5-1 of the Securities Exchange Act of 1934, as amended. Rule 10b5-1 allows insiders to sell and diversify their holdings in our common shares over a designated period by adopting pre-arranged stock trading plans at a time when they are not aware of material nonpublic information about the Company and thereafter sell our common shares in accordance with the terms of their stock trading plans without regard to whether or not they are in possession of material nonpublic information about the Company at the time of the sale.

In addition, our Code of Business Conduct and Ethics prohibits all directors and employees from short-selling common shares of the Company or engaging in transactions involving Company-based derivative securities, including, but not limited to, trading in option contracts (for example, buying and/or writing puts and calls). Hedging transactions, such as zero-cost collars and forward sale contracts, that permit a director or employee to own securities of the Company without the full risks and rewards of ownership are prohibited. This does not prohibit the exercise of options, stock appreciation rights, or other derivative securities received through our equity incentive plans. Our Code of Business Conduct and Ethics also prohibits pledging Company securities as collateral for a loan.

The following table sets forth certain information regarding compensation of each named executive officer (each, an “NEO”) of the Company for fiscal 2021, 2020 and 2019. For a discussion of the various elements of compensation provided in the table below, please refer to the discussion of our various compensation elements in our Compensation Discussion & Analysis under the heading “Compensation Program Elements” beginning on page 16 above.

Agreements with NEOs and Potential Payments Upon Termination or Change in Control

On January 1, 2019, we entered into employment agreements with each of Messrs. J. Brooks, Simms, Robertson, Dixon and Wortham (the “Employment Agreements”). Messrs. J. Brooks, Robertson, Simms, Dixon and Wortham are each referred to below as an “Executive.”

In exchange for performing the duties and responsibilities customarily performed by persons employed in a similar executive capacity, each Executive is entitled to an annual base salary, which may be decreased up to 20%, or increased, subject to the approval of the Board of Directors. Each Executive is also entitled to participate in additional compensation and employee benefit plans.

Under the Employment Agreements, the Executives agree to maintain the confidential information of the Company and to assign all inventions to the Company, and the Executives will not compete with the Company for six months following termination of employment for any reason or solicit the employees of the Company for 12 months following termination of employment for any reason.

In the event of termination of an Executive by the Company for cause, or due to the Executive’s death or disability (as defined in each employment agreement), or by the Executive for any reason, pursuant to the Employment Agreements, the Company will pay the Executive only the earned but unpaid portion of his base salary through the termination date. The Executive must provide the Company 30 days’ written notice prior to termination of employment by the Executive.

Cause is defined in each Employment Agreement to include:

- Commission of an act of dishonesty involving the Company, its business or property, including, but not limited to, misappropriation of funds or any property of the Company;
- Engagement in activities or conduct clearly injurious to the best interests or reputation of the Company;
- Willful and continued failure to substantially perform duties (other than as a result of physical or mental illness or injury), after the Board of Directors delivers a written demand for substantial performance that specifically identifies the manner in which the Board believes the Executive has substantially not performed his duties;
- Illegal conduct or gross misconduct that is willful and results in material and demonstrable damage to the business or reputation of the Company;
- The clear violation of any of the material terms and conditions of the employment agreement or any other written agreement or agreements the Executive has with the Company (following 30 days’ written notice from the Company specifying the violation and the Executive’s failure to cure such violation within such 30-day period);
- The clear violation of the Company’s code of business conduct or the clear violation of any other rules of behavior as may be provided in any employee handbook which would be grounds for dismissal of any employee of the Company; or
- Commission of a crime which is a felony, a misdemeanor involving an act of moral turpitude, or a misdemeanor committed in connection with employment by the Company.

Under the Employment Agreements, in the event an Executive is terminated by the Company without cause, the Company will pay the Executive the earned but unpaid portion of his base salary through the termination date and will continue to pay his base salary for an additional six months; provided, however, any such payments will immediately end if the Executive is in violation of his obligations under the Employment Agreement or if the Company learns of any facts that would have been grounds for termination for cause. Additionally, the Company will pay the Executive any earned bonus for a completed bonus period and if the Executive was employed for at least half of the days in an applicable bonus period, a pro-rated bonus, if any, for such bonus that would have been payable had the Executive remained employed throughout the bonus period, based on the actual financial performance of the Company. The Company must provide the Executive 14 days’ written notice in the event of a termination without cause, and 30 days’ written notice in the event of a termination for disability.

In the event of termination of an Executive following a change in control (as defined in each Employment Agreement), the Company will (i) pay the Executive the earned but unpaid portion of his base salary through the termination date and any bonus earned for a bonus period completed prior to the termination date, (ii) continue to pay the Executive his base salary for an additional six months, and (iii) pay the Executive a pro-rated bonus for a bonus based on the financial performance of the Company if the Executive was employed for at least half of the days in an applicable bonus period. Additionally, any outstanding stock options or restricted stock awards issued to the Executive will immediately vest 100%. Further, the Company will maintain COBRA coverage for at least six months after the termination date, provided however, that the Company’s obligation to provide this coverage will cease if the Executive becomes employed or self-employed.

Notwithstanding the foregoing, any such payments in (i) – (iii) will immediately end if the Executive is in violation of his obligations under the Employment Agreement or if the Company learns of any facts that would have been grounds for termination for cause.

Potential payments upon termination or Change in Control under the Employment Agreements with our NEOs are shown in the tables below. We have used estimates where it is not possible to give a precise dollar amount for the potential payments. The estimates assume that the triggering event took place on December 31, 2021, the last day of the Company’s prior fiscal year. In the tables below, we have assumed that all accrued base salary has been paid as of the termination date.

An Interested Transaction is any transaction, arrangement, relationship, or series of similar transactions, arrangements, or relationships (including any indebtedness or guarantee of indebtedness) in which:

- The aggregate amount involved will or may be expected to exceed \$100,000 in any fiscal year,

In determining whether to approve or ratify an Interested Transaction, the Audit Committee will take into account, among other factors it deems appropriate, whether the Interested Transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the Related Party's interest in the transaction. Certain types of Interested Transactions, such as compensation to directors and officers that are required to be reported in the Company's proxy statement, have been deemed to be pre-approved.
